

Admissions Testing

Cambridge Assessment Admissions Tests give you the opportunity to let your true potential shine.

Depending on your chosen institution and course, you may need to take an admissions test as part of your application (some joint degree courses require you to take two tests). As well as being an entry requirement, an admissions test gives you the chance to show your potential to succeed on your course.

Our Centre is an official Admissions Testing Centre and we offer the following tests.

- BioMedical Admissions Test (BMAT)
- University of Cambridge pre-interview assessments
- University of Oxford admissions tests
- International Medical Admissions Test (IMAT)
- Mathematics Admissions Test (MAT)
- Sixth Term Examination Paper (STEP)
- Test of Mathematics for University Admission
- Thinking Skills Assessment (TSA)
- Cambridge Personal Styles Questionnaire® (CPSQ)
